RELAX, SIT BACK, AND WATCH YOUR INVESTMENT GROW

We guarantee our property owners will receive their rent in full, every month of the year, whether the tenant pays or not.

PukekoPlus Rent Guarantee*

At Pukeko Rental Managers, we focus on finding the right tenant, and we back our services with our PukekoPlus Rental Guarantee. This means that in the unlikely event, a tenant gets behind in their rent, we can access a dedicated company fund to **cover rent arrears**, while we resolve any issues.

*Property Owners can be confident that rents are paid every month, investments are safe, and rental properties are in expert hands. Terms & Conditions apply.

**Proud to be the best,
not the biggest.**
